Live Ball/Dead Ball

1. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
2. The line of scrimmage will be indicated with a cone. It is an automatic dead ball foul if any player on defense or offense crosses the L.O.S. prior to the snap.
3. A player who gains possession in the air is considered in bounds as long as one foot comes down in the field of play.
4. Substitutions may be made on any dead ball.
5. Any official can whistle the play dead.
6. Play is ruled "dead" when:
 - a. The ball hits the ground.

8. Note: There are no fumbles. The ball is spotted where the ball hits the ground. Coach interference - if interference by the defensive coach occurs the play will stand. The coach is recognized as part of the field. However, if there are multiple occurrences, the official has the authority to remove the defensive coaches from the field of play for the remainder of the game.

Offensive Rules

Snap

1. The team has 30 seconds to snap the ball after the ready for play whistle.
2. Snaps must be through the legs of the center.
3. The quarterback can be under center or in the shotgun.

Running

1. The ball is spotted where the runner's feet are when the flag is pulled, not where the ball carrier has the ball.
2. "No-Run Zones," located 5 yards before each end zone and 5 yards on either side of midfield, are designed to avoid short-yardage, power-running situations. Teams are not allowed to run in these zones IF the subsequent line is LIVE. (Reminder: Each offensive

squad approaches only TWO No Run Zones in each drive - one 5 yards from midfield to gain the first down, one 5 yards from the goal line to score a TD 5 yards).

3. The player who takes the handoff can throw the ball from behind the line of scrimmage.
4. Laterals/pitches are allowed behind the line of scrimmage only.
5. No center sneaks.
6. Once the ball has been handed off in front or behind the quarterback, all defensive players are eligible to rush.
7. Runners may not leave their feet to advance the ball. Diving or leaping is considered flag guarding.
8. Spinning is allowed, but players cannot leave their feet to avoid a flag pull.
9. **Blocking with the hands extended is a penalty. Players in front of the runner must have their hands behind their backs or at their sides and must not obstruct any defender's attempt to reach the ball carrier.**
10. Flag guarding is an attempt by the ball carrier to obstruct the defender's access to the flags by stiff arming, dropping of head, hand, arm or shoulder, or intentionally covering flags with the football or jersey.

Passing

1. All forward passes must be thrown from behind the line of scrimmage. Shovel passes are allowed.
2. The quarterback has a seven-second "pass clock." If a pass is not thrown within the seven seconds, play is dead, the down is over and the ball is returned to the line of scrimmage. Once the ball is handed off, the 7-second rule no longer is in effect.
 - a. **If the QB is standing in the end zone at the end of the 7-second clock, the play will result in a safety.**

Receiving

1. All players are eligible to receive passes (including the quarterback if the ball has been handed off or batted behind the line).
2. Only one player is allowed in motion at a time. All motion must be parallel to the line of scrimmage and no motion is permitted towards the line of scrimmage.
3. A player must have at least one foot inbounds when making a reception.
4. Interceptions change the possession of the ball at the point of interception. Interceptions are the only changes of possession that do not start on the 5-yard line.
5. Interceptions are returnable, but not on conversions after touchdowns.

Defensive Rules

Rushing the Passer

1. All players who rush the passer must be a minimum of seven yards from the line of scrimmage when the ball is snapped. Any number of players can rush the quarterback.
